

MediaPOINTE DMR160

Digital Media Recorder

The award winning MediaPOINTE Digital Media Recorders (DMR) archive presentations and videoconferences using on-board storage. The DMR160 can simultaneously stream while archiving. Utilizing MediaPOINTE's *CopyMe!* technology, now you can quickly and easily distribute content on the go. Just insert a CD or use your USB flash drive to make your meeting as mobile as you are. The DMR160 also incorporates a on-screen user interface and remote control to make it easy for any user to operate.
