

MediaPOINTE DMR310

Digital Media Recorder

The all new DMR310 combines all of the award-winning features of the DMR300 with several exciting enhancements. Capable of simultaneous recording and streaming at up to 30fps, the DMR310 boasts MediaPOINTE's *CopyMe!* technology allowing for immediate distribution of content via either the included CD-ROM or USB flash drive . Designed for integrators and end users alike, the DMR310 sports a new interface and remote control for simple operation. With hundreds of hours of storage and simultaneous recording of up to 3 sources, the DMR310 is a powerful content generation and distribution device.
